Disposal:	Wastes and emptied containers should be handled in accordance with local regulations.
Sizes:	1L spray
Certification:	Greenguard

Preparations

Remove loose dirt and grit from your floor. Clean floor thoroughly with Bona Wood Floor Cleaner and let dry. Do not use over any floor that has been treated with soft wax. Wax residues may produce an uneven sheen. **If uncertain, perform a small test before use.**

Shake bottle thoroughly before use and apply at normal room temperature, 18-25°C.

Instructions for use

1. Dampen a Bona Cleaning Pad with Bona Oil Refresher
2. Spray Oil Refresher onto a small section of the floor and distribute the product with the Cleaning Pad. Work in the direction of the wood.
3. Continue section by section until the whole floor has been treated.

The floor can be walked on already after 2 hours but avoid heavy traffic and replacement of furniture and rugs the first 12 hours.

Bona Oil Refresher

Technical data sheet

Maintenance

Clean floor with Bona Cleaner for oiled floors and a Bona Cleaning Pad. When the floor is starting to show signs of wear and needs freshing up, clean and apply a new layer of Bona Oil Refresher. For removal of refresher build-up the surface must be sanded to bare wood.
