COLLECTION OVERVIEW

In an ever-busy world, the need for a calm, considered sanctuary is more vital than ever. Inspired by the undulation of desert landscapes, the Indus collection creates an atmosphere of expansive tranquillity in your home.

Picture a foundation that soothes the senses and broadens your perspective, a continuous flow that grounds your daily life.

Crafted from premium European oak, each plank is engineered for exceptional durability and stability. This means enduring beauty with minimal effort, allowing you to simply live and enjoy. Subtle bevels blur the lines between planks, creating a visual fluidity that mirrors the gentle, shifting sands of nature.

A seamless fusion of refined aesthetics and outstanding functionality, the Indus collection is a timeless choice that elevates both contemporary and classic interiors, inviting you to explore a deeper connection with your space.

KEY FEATURES

Wide and Long Boards

Featuring 240mm wide planks with a subtle bevel, softening definition between planks and creating a seamless and flowing aesthetic throughout your space.

Distinctive Colours

An earthy, natural colour palette offers warmth and versatility, while increased colour variation embraces the authentic beauty of natural timber for a richly textured, non-uniform look.

High Performance Core

The collection features a meranti plywood core and backing for ultimate stability, making it suitable for high traffic spaces.
