# Herringbone Profile

## ARTISTE RUSTIC HERRINGBONE

---

Plank is tongue and groove on all four sides. Product supplied in right and left planks.

## ARTISTE RUSTIC – RUSTIC GRADE

---

An Artiste Rustic, rustic grade plank will typically contain natural colour variation. This grade allows for more frequent, larger knots and sapwood may be expected throughout the planks. Larger cracks and checks will be present and are finished with a dark shade of filler.

## SMOKED EUROPEAN OAK

---

Smoked or fumed timber has been treated to alter the colour depth and tonal variation of the wood. To find out more, visit [forte.co.nz/advice/what-is-smoked-timber](https://forte.co.nz/advice/what-is-smoked-timber)
