

/atelier

A premium collection of rustic grade engineered timber that brings character and depth to interior spaces.

Species	European Oak
Sustainability	Sustainably Sourced
Grade	Rustic
Texture	Brushed

COLLECTION

Atelier is a premium collection of engineered wood flooring with rustic grade and gentle brushing giving the planks a timeless and aged look. The collection consists of five modern colours that bring an elegant yet rustic character to modern and classic high-end spaces.

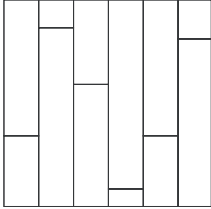

Available in rustic grade, Atelier planks contain plenty of knots and cracks that add to the authentic, raw look of the collection. This collection is sure to be a focal point within your interior, bringing character-filled texture and depth to any space.
