

/indus

A distinctively refined collection of premium engineered timber in rich, complex colours inspired by captivating desertscapes.

Species	European Oak
Sustainability	Sustainably Sourced
Grade	Feature, Prime and Light Feature
Texture	Lightly Brushed

COLLECTION

Inspired by the earthy colours and captivating contours of deserts, Indus is our new premium timber flooring collection that embodies some of the world's most striking backdrops. The Indus Collection lets you create a whole new world within your interior.

Crafted from premium European oak with a plywood core and backing veneer, the Indus Collection has been developed to offer a look that is as distinctively refined.

Small bevels and a lightly brushed surface help to create a seamless, all-encompassing effect with less definition between planks, evocative of desert sands.

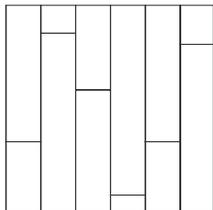

FLOORING — Indus Patagonia

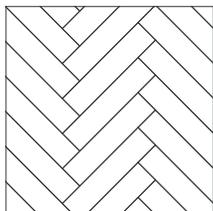

FORMATS

Indus is available in 240mm wide feature and prime planks and Herringbone with matching nosings.

PLANK

Thickness	18/4mm
Width	240mm
Length	2400mm (<25% shorts)
Construction	Multi-Layer Engineered

HERRINGBONE PARQUET

Thickness	18/4mm
Width	120mm
Length	600mm
Construction	Multi-Layer Engineered

STAIR NOSING

Thickness (Tread)	18mm
Width x Height (Face)	75mm x 36mm
Length	1400mm
Construction	Solid Oak
