REACTION TO FIRE	Floors: Critical Flux 5.7kw/m <sup>2</sup> Walls & Ceiling: Group 2-S / Class Cfl-s1
WEAR LAYER DENSITY	650kg/m <sup>3</sup>
FORMALDEHYDE EMISSION	E1, Low VOC, no added formaldehyde
SLIP RATING (WET)	AS/NZS 4586 Wet Test Classification X (Medium) 41 BPN
SLIP RATING (DRY)	AS/NZS 4586 Dry Test Classification F, Mean COF 0.75

### PACK INFORMATION

PACK SIZE	0.864 m <sup>2</sup>
PIECES PER PACK	6 x Left and 6 x Right
PACK WEIGHT	8.5kg

## HAVEN PROFILE

## HAVEN LIGHT FEATURE GRADE

Haven light feature grade timber introduces a balance between clean aesthetics and natural character. It showcases small to medium knots, natural colour variation and imperfections, bringing a touch more texture and interest. These features offer an authentic reflection of the timber's natural origins without dominating the design. Knots and cracks are often filled with coloured wood filler, providing a smooth finish while retaining the timber's unique charm.
